The tracking number shows that it was delivered and ready for pick up on November 16, 2021 and was picked up on November 17, 2021.

EJ 764 429 587 US

I am sending a copies of the revised AO389 & AO 399 I sent out to all the defendants because the plaintiff noticed an oversight where the date on AO389 was incorrect and now gives a date of December 4, 2021 and also the AO389 & AO 399 was blank and did not show that it is in Northern District of New York. The PDF was filled out with being in Northern District of New York, however the printer did not pick up on it when it was printed out.

On December 6, 2021, these corrected copies, a revised CERTIFICATE OF SERVICE, AO389 & AO399, IMPORTANT NOTICE and Captioned letter was sent out to all defendants.

Please court stamp the enclosed copies and return to me via the enclosed self stamped, addressed envelope at your convenience and other related

material that was included in the November 15th USPS Express Mail package. Thank you for your time and cooperation in this matter.

JURY TRIAL DEMANDED

Upon inspection of:

- NOTICE OF A LAWSUIT AND REQUEST TO WAIVE SERVICE OF SUMMONS (AO398)
- WAIVER OF SERVICE OF SUMMONS (AO399)

The plaintiff sent out on September 15, 2021, he noticed an oversight he made when he did not change the date on AO398 to the correct date when he mailed out the forms and listed Northern District of New York in the caption. So the plaintiff is making those corrections to the forms and giving AO398 the date of December 4, 2021,(the date of when he noticed this oversight) for your convenience. The 30 days starts from this date. Sorry for any inconveniences or confusion.
